DETAILED ACTION

The following is an examiner's statement of reasons for allowance: Claims 1-24 are allowed.

Claim 1: Prior art of record does not teach an analyzer operable to analyze the decrypted data from the decryption section to detect the first information; a conversion section operable to alter at least a part of the first information contained in the decrypted data from the decryption section based on an analysis result by the analyzer and second to n-th (n is a natural number, $n > 1$) decoders operable to receive the altered data from the conversion section and decompress the respective channels of second information.

Claim 19: Prior art of record does not teach a stream conversion section operable to alter at least a part of the video information contained in the multiplexed stream decrypted by the decryption section based on an analysis result from the stream analyzer; second to n-th (n is a natural number, $n > 1$) decoders operable to receive the altered multiplexed stream from the conversion section and decompress the respective channels of audio information; and second to n-th audio output sections operable to generate reproduction audio signals from audio data decompressed by the corresponding audio decoders.

Claims 2-18, 20-24 are allowed because of dependency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
